

# FISCAL NOTE

## HB 220

February 10, 2001

**SUMMARY OF BILL:** Adds the words ***In God We Trust*** to the state flag.

### ESTIMATED FISCAL IMPACT:

#### Increase State Expenditures - Not Significant

Estimate assumes that:

- the addition of the phrase will result in recurring increased expenditures for the cost of state flags. However, such increase in state expenditures is estimated to be not significant.
- only flags purchased after the effective date of this bill will be required to contain the phrase *In God We Trust*.
- all flags currently displayed or in use by a state or local governmental entity would not be replaced immediately but would be replaced on an *as needed* basis.

For informational purposes, it should be noted that the estimated one-time expenditures to replace all flags sold under statewide contract would be approximately \$16,000. This cost is based on the estimated number of flags purchased on statewide contract and calculated at current contract prices.
